The directors of AmFunds Management Berhad may have direct or indirect interest through their directorship in AIFM.

As the Trustee for the Fund and the PRS Provider's delegate for the fund accounting and valuation services, there may be related party transactions involving or in connection with the Fund in the following events:-

Notwithstanding, cross trades between the personal account of an employee of the PRS Provider and the Fund's account are strictly prohibited. ¹ The blended returns are calculated by AmFunds Management Berhad using end of day index level values licensed from MSCI ("MSCI Data"). For the avoidance of doubt, MSCI is not the benchmark "administrator" for, or a "contributor", "submitter" or "supervised contributor" to, the blended returns, and the MSCI Data is not considered a "contribution" or "submission" in relation to the blended returns, as those terms may be defined in any rules, laws, regulations, legislation or international standards. MSCI Data is provided "AS IS" without warranty or liability and no copying or distribution is permitted. MSCI does not make any representation regarding the advisability of any investment or strategy and does not sponsor, promote, issue, sell or otherwise recommend or endorse any investment or strategy, including any financial products or strategies based on, tracking or otherwise utilizing any MSCI Data, models, analytics or other materials or information.

Note: The current retirement age is fifty five (55) years old or any another age as may be specified by the Securities Commission Malaysia ("SC").

You may actively select one or more Core Funds or non-Core Funds notwithstanding that the Core Funds do not correspond with your age.

All contributions made by a Member will be maintained in two separate sub-accounts by the PRS Provider as follows:

- a) Sub-Account A which holds 70% of all contributions made to any Fund under the Scheme which is reflected in units which are not available for pre-retirement withdrawal, except for death of a Member or permanent departure of a Member from Malaysia or withdrawal due to permanent total disablement, serious disease or mental disability; and
- b) Sub-Account B which holds 30% of all contributions made to any Fund under the Scheme which is reflected in units which are available for pre-retirement withdrawal, subject to payment of tax penalty set by the Inland Revenue Board ("IRB"), which will be deducted by the PRS Provider from the redeemed amount. However, the tax penalty is not applicable for withdrawals due to death of a Member, permanent departure of a Member from Malaysia, permanent total disablement, serious disease or mental disability.

However, where an employer makes a contribution on behalf of an employee, the vested units may be maintained in Sub-Account A only.

Cooling-off

If you make a contribution and later decide that the investment does not suit your needs, you may withdraw your money within the cooling-off period. You should be aware that the cooling-off right is only available on your first contribution in any private retirement schemes. The cooling-off right is not available for subsequent contributions whether to the Scheme or a private retirement scheme managed by another PRS provider. The cooling-off right is not available to staff of the PRS Provider, persons registered with a body approved by the SC to deal in private retirement schemes and contributions made to the Scheme by employer on behalf of employee.

Transfer of units

For pre-retirement transfer from one or multiple Funds under the Scheme to another PRS providers, it can be requested by a Member once every calendar year provided that such Member has been a Member of the Scheme (whether via Member's contribution or employee's contribution) for at least one year and all accrued benefit to be transferred from a Fund must be transferred to only one (1) other Fund. The PRS Provider must pay the proceeds to the other PRS provider within five (5) business days upon receiving a complete transfer form from the PPA. For units issued under or pursuant to Employer-Sponsored Retirement Schemes which are subject to Vesting Schedules, transfer is not permitted until such units are unconditionally vested in a Member.

Switching of funds

Switching is allowed between Funds under the Scheme subject to a fee. However, switching between Class(es) within a Fund and switching between Class(es) between Funds are not allowed. For switches between Funds under the Scheme, you may be charged up to 3.00% of amount switched. For example, you will be charged 2% of switching fee when you switch from a lower sales charge fund (i.e. 1% sales charge) to a higher sales charge fund (i.e. 3% sales charge).

However, you can only switch units in a Fund to another Fund under the Scheme, provided it is under the same sub-account, i.e. Sub-Account A of AmPRS – Growth Fund to Sub-Account A of AmPRS – Moderate Fund. Switching between Class(es) is not allowed. For example, you are not allowed to switch from Class D of AmPRS – Growth Fund to Class I of AmPRS – Growth Fund. You are also not allowed to switch from Class D of AmPRS – Growth Fund to Class I of AmPRS – Moderate Fund.

Note: Switching from a Shariah Compliant fund to any other non-Shariah Compliant fund(s) is discouraged for Muslim Members.

Withdrawals

Request for payment for withdrawals from any of the Funds under the Scheme may be made in the following circumstances:

No.	Circumstances for withdrawal	Extent of withdrawals
a)	After the day the Member reaches the Retirement Age	Partial or full
b)	Pre-retirement withdrawals from sub-account B	Partial or full
c)	Following death of a member (regardless of whether or not a nomination has been made)	Partial or full
d)	Permanent departure of a Member from Malaysia	Full

In relation to request for withdrawal, the PRS Provider may receive such request from a Member, a nominee, an executor, trustee or administrator of a Member's estate either directly or through a notification from PPA. The PRS Provider also must obtain prior authorisation from PPA before issuing instructions to the Scheme Trustee to cancel units in the case of a withdrawal following the death of a Member. The PRS Provider or PPA, as the case may be, may require the Member to provide evidence of the facts necessary to establish the Member's right to withdraw monies from any Fund under the Scheme. .

The pre-retirement withdrawal from Sub-Account B above can be requested by a Member once every calendar year provided that such Member has been a Member of the Scheme (whether via Member's contribution or employer's contribution) for at least one year. Members who have contributed to funds of multiple PRS providers may request for multiple pre-retirement withdrawals in a year provided only one pre-retirement withdrawal request is made to each PRS provider.

A PRS Provider will deduct the applicable tax penalty of eight percent (8%) or such other applicable tax penalty from the withdrawn amount before making payment to the Member. However, for pre-retirement withdrawals due to death of a Member, permanent departure of a Member from Malaysia, permanent total disablement, serious disease, mental disability or upon reaching the Retirement Age, a Member shall be entitled to withdraw full amount accumulated in all Funds under the Scheme held by the Member as accrued benefits without payment of any tax.
