A GIFT FOR YOU -
ALL THE POWER OF
THE ELEMENTS ...

ASK, AND IT IS GIVEN
LEARNING TO MANIFEST

Seldom do we give
thanks for what we
have. Mostly, we
yearn for what we
don't.

A scenic view of a river flowing through a canyon. The river is the central focus, winding through a series of small, cascading rapids over smooth, reddish-brown rock formations. The canyon walls are steep and composed of layered red rock, with patches of green shrubs and trees clinging to the slopes. The sky is a clear, vibrant blue with a few wispy white clouds. The overall atmosphere is bright and natural.

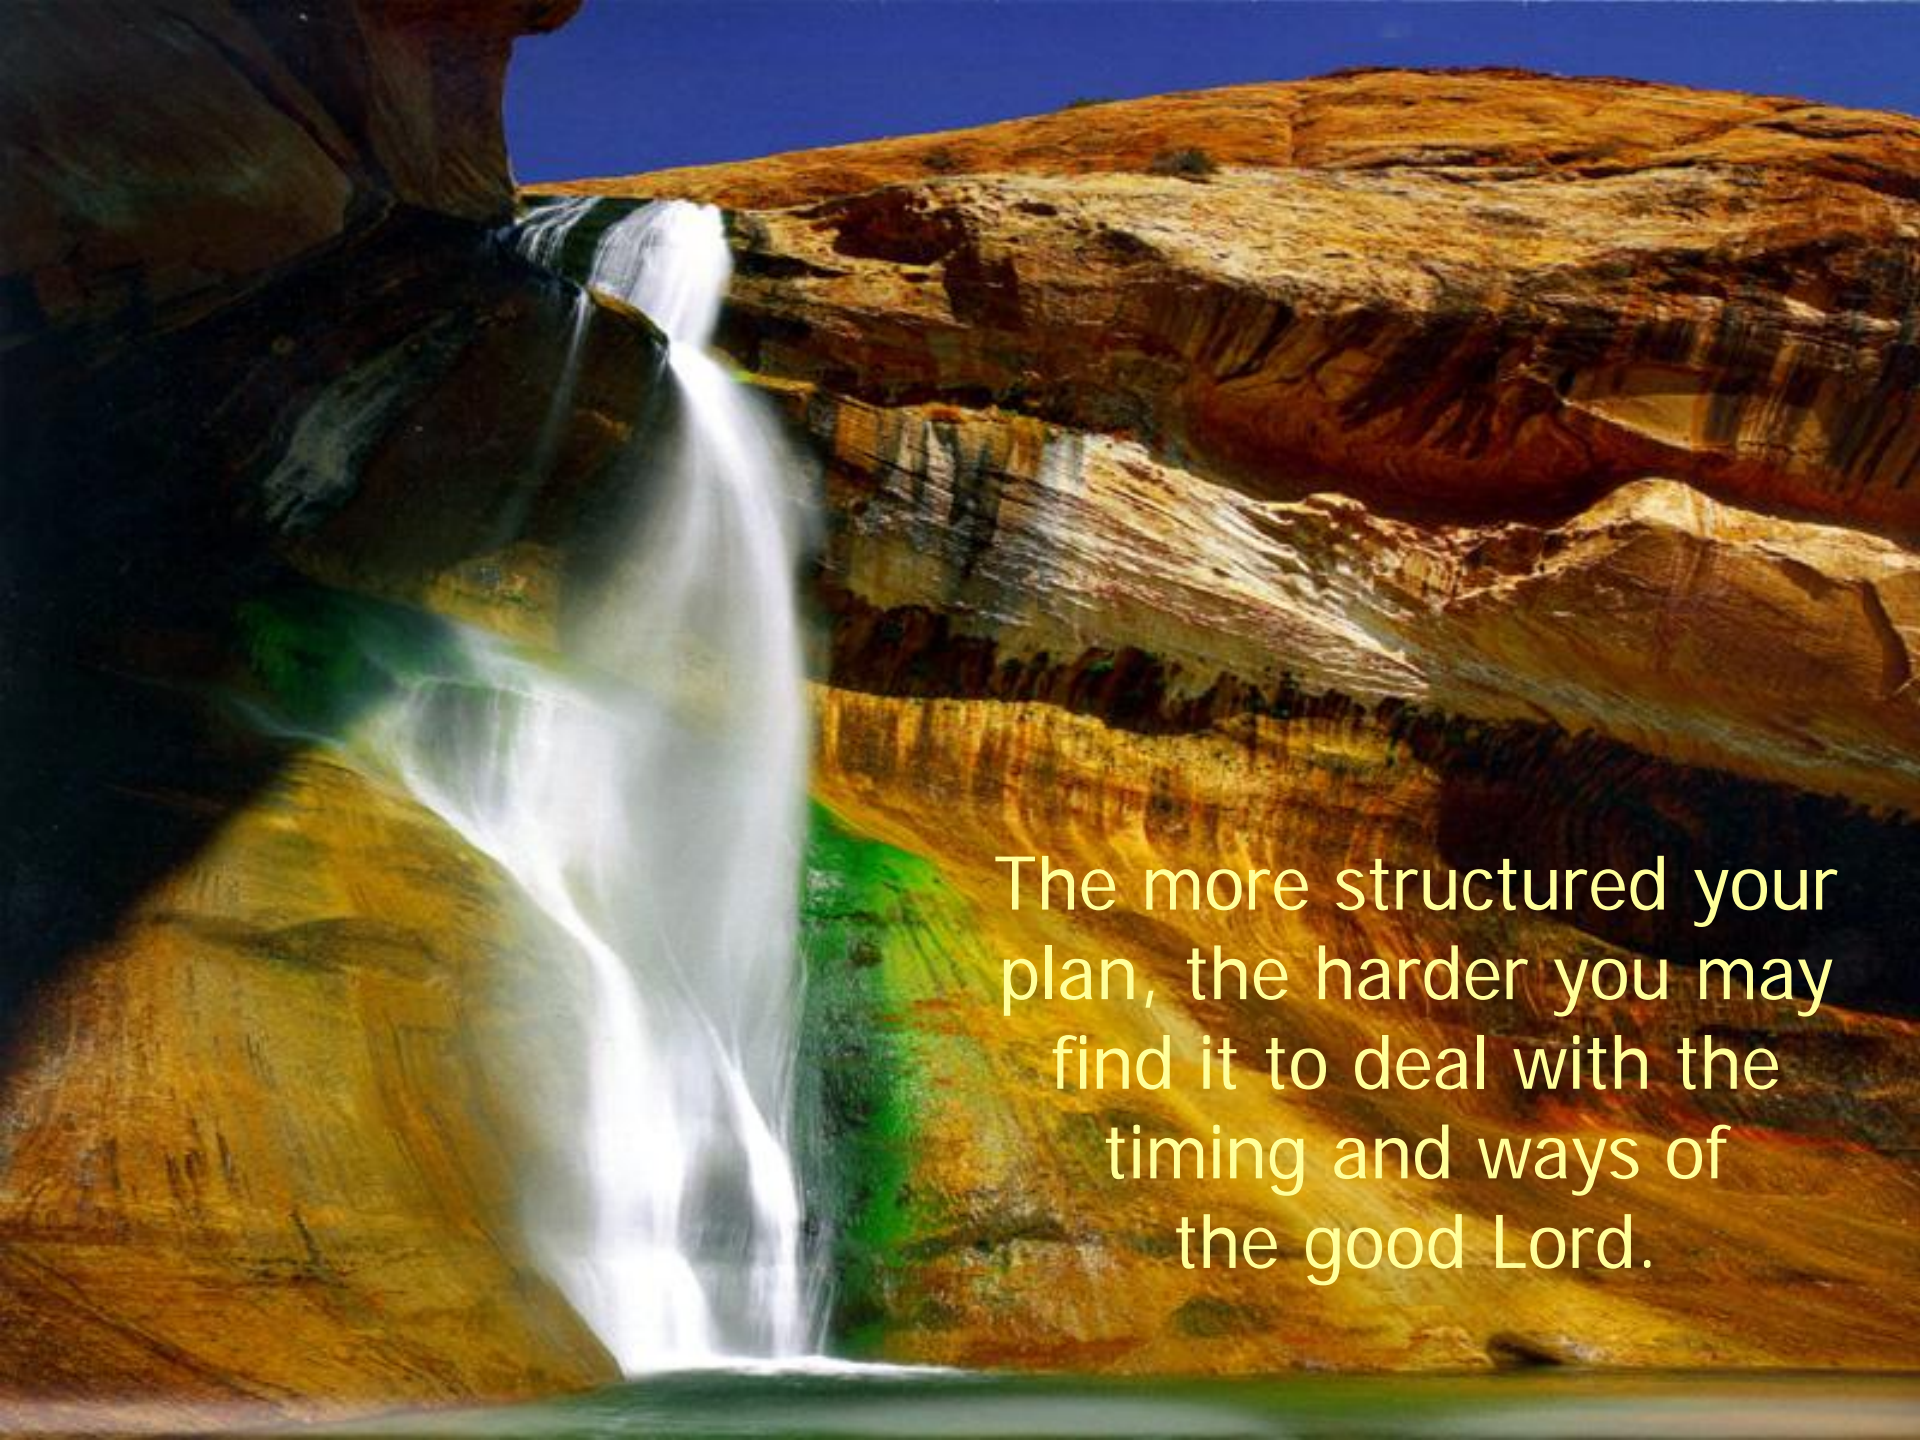

Don't cry if it seems over ...
Smile and rejoice that it even happened.

A photograph of a waterfall cascading into a pool of water. The waterfall is the central focus, with water falling from a dark, mossy rock face. The water is white and frothy as it falls. At the top of the frame, there are several large, bright green leaves, likely from a tree or bush, framing the scene. The background is a dense forest of green trees. The overall mood is peaceful and serene.

Don't push
too hard.

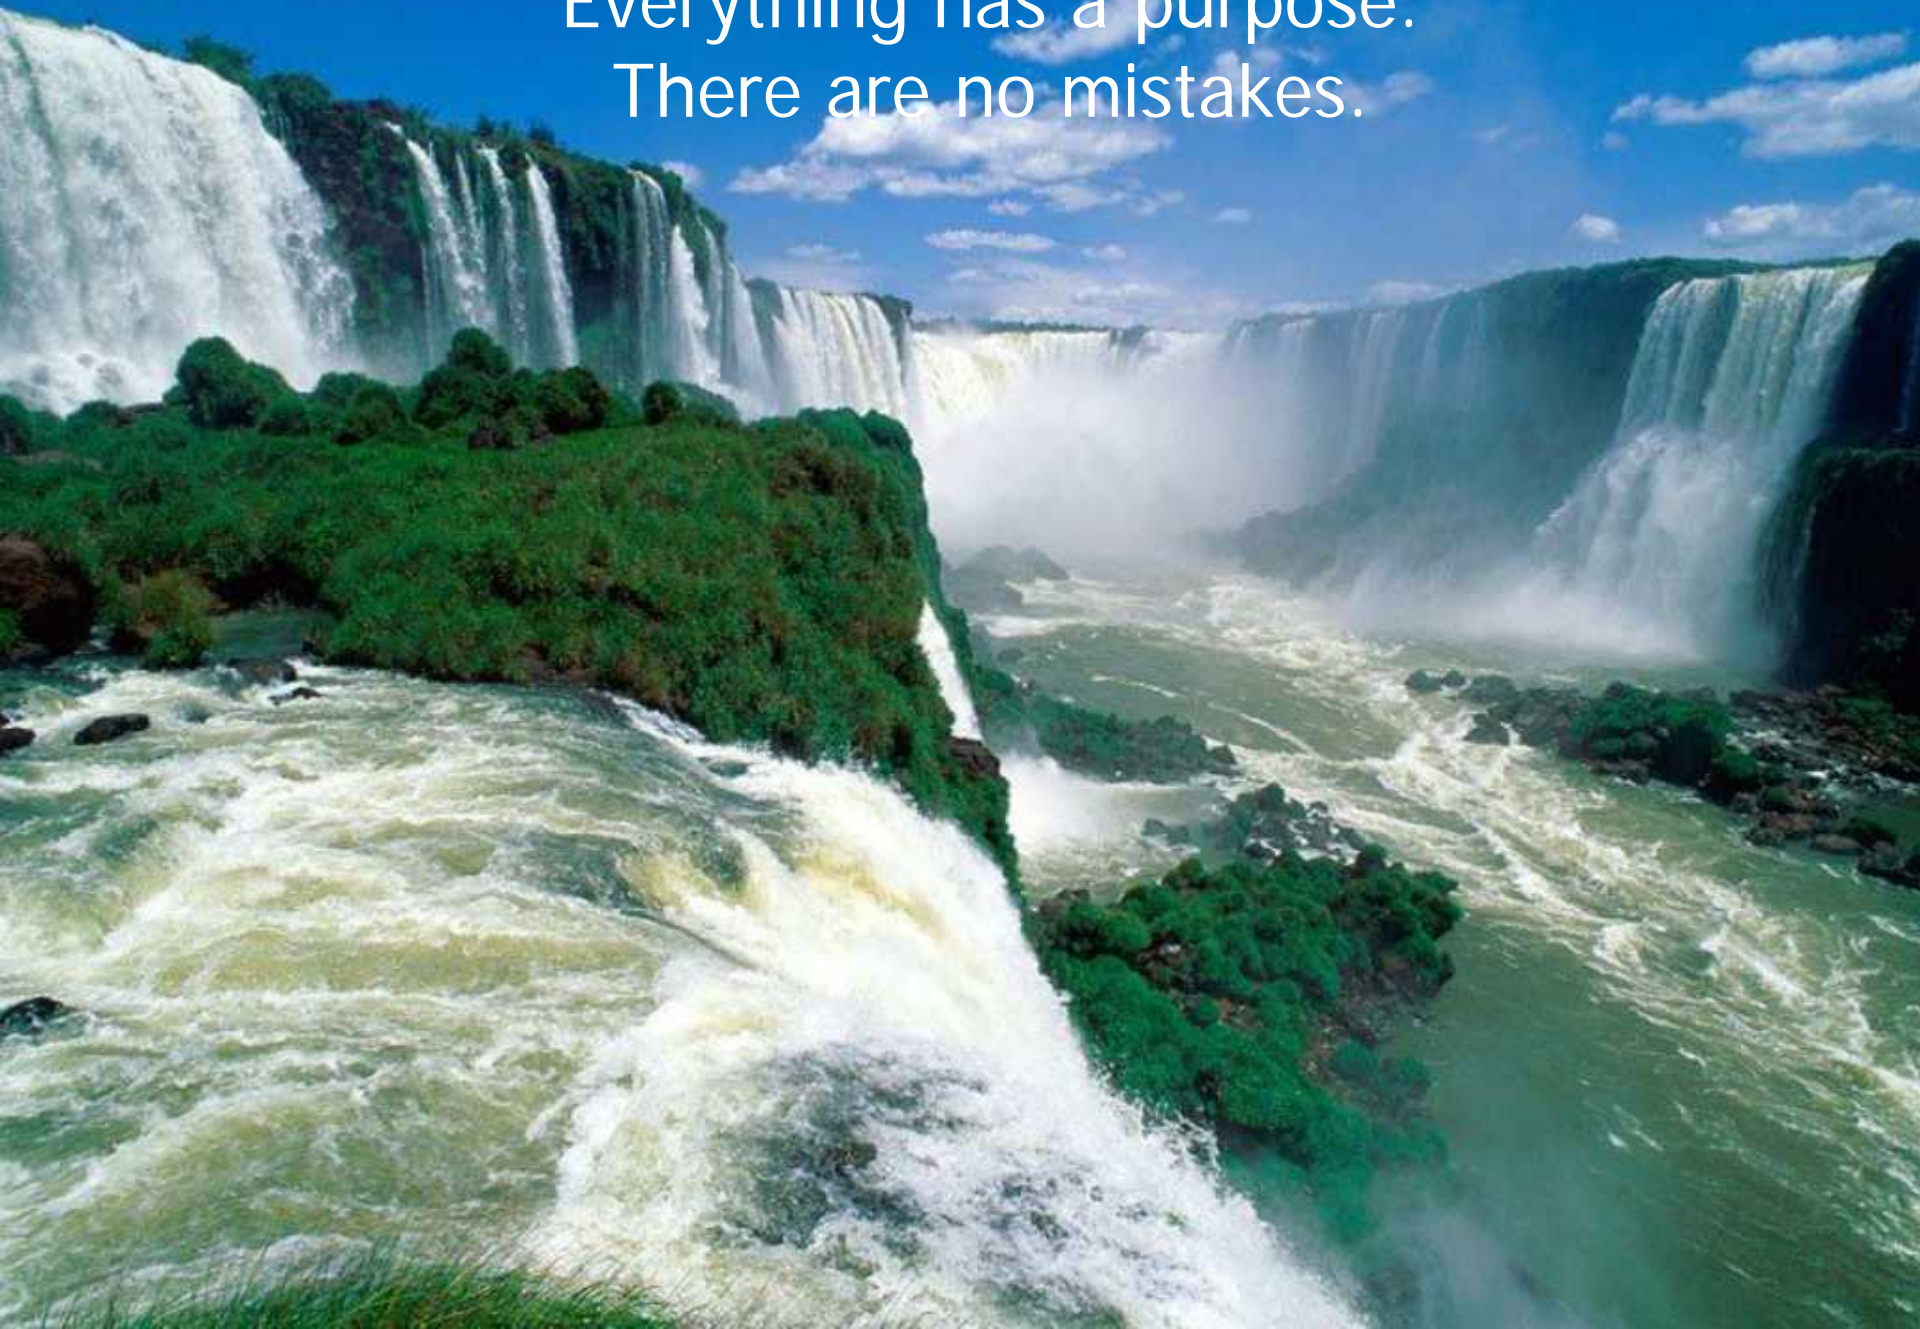

The best
things often
happen when
you let go...

And
Let God.

The more structured your plan, the harder you may find it to deal with the timing and ways of the good Lord.

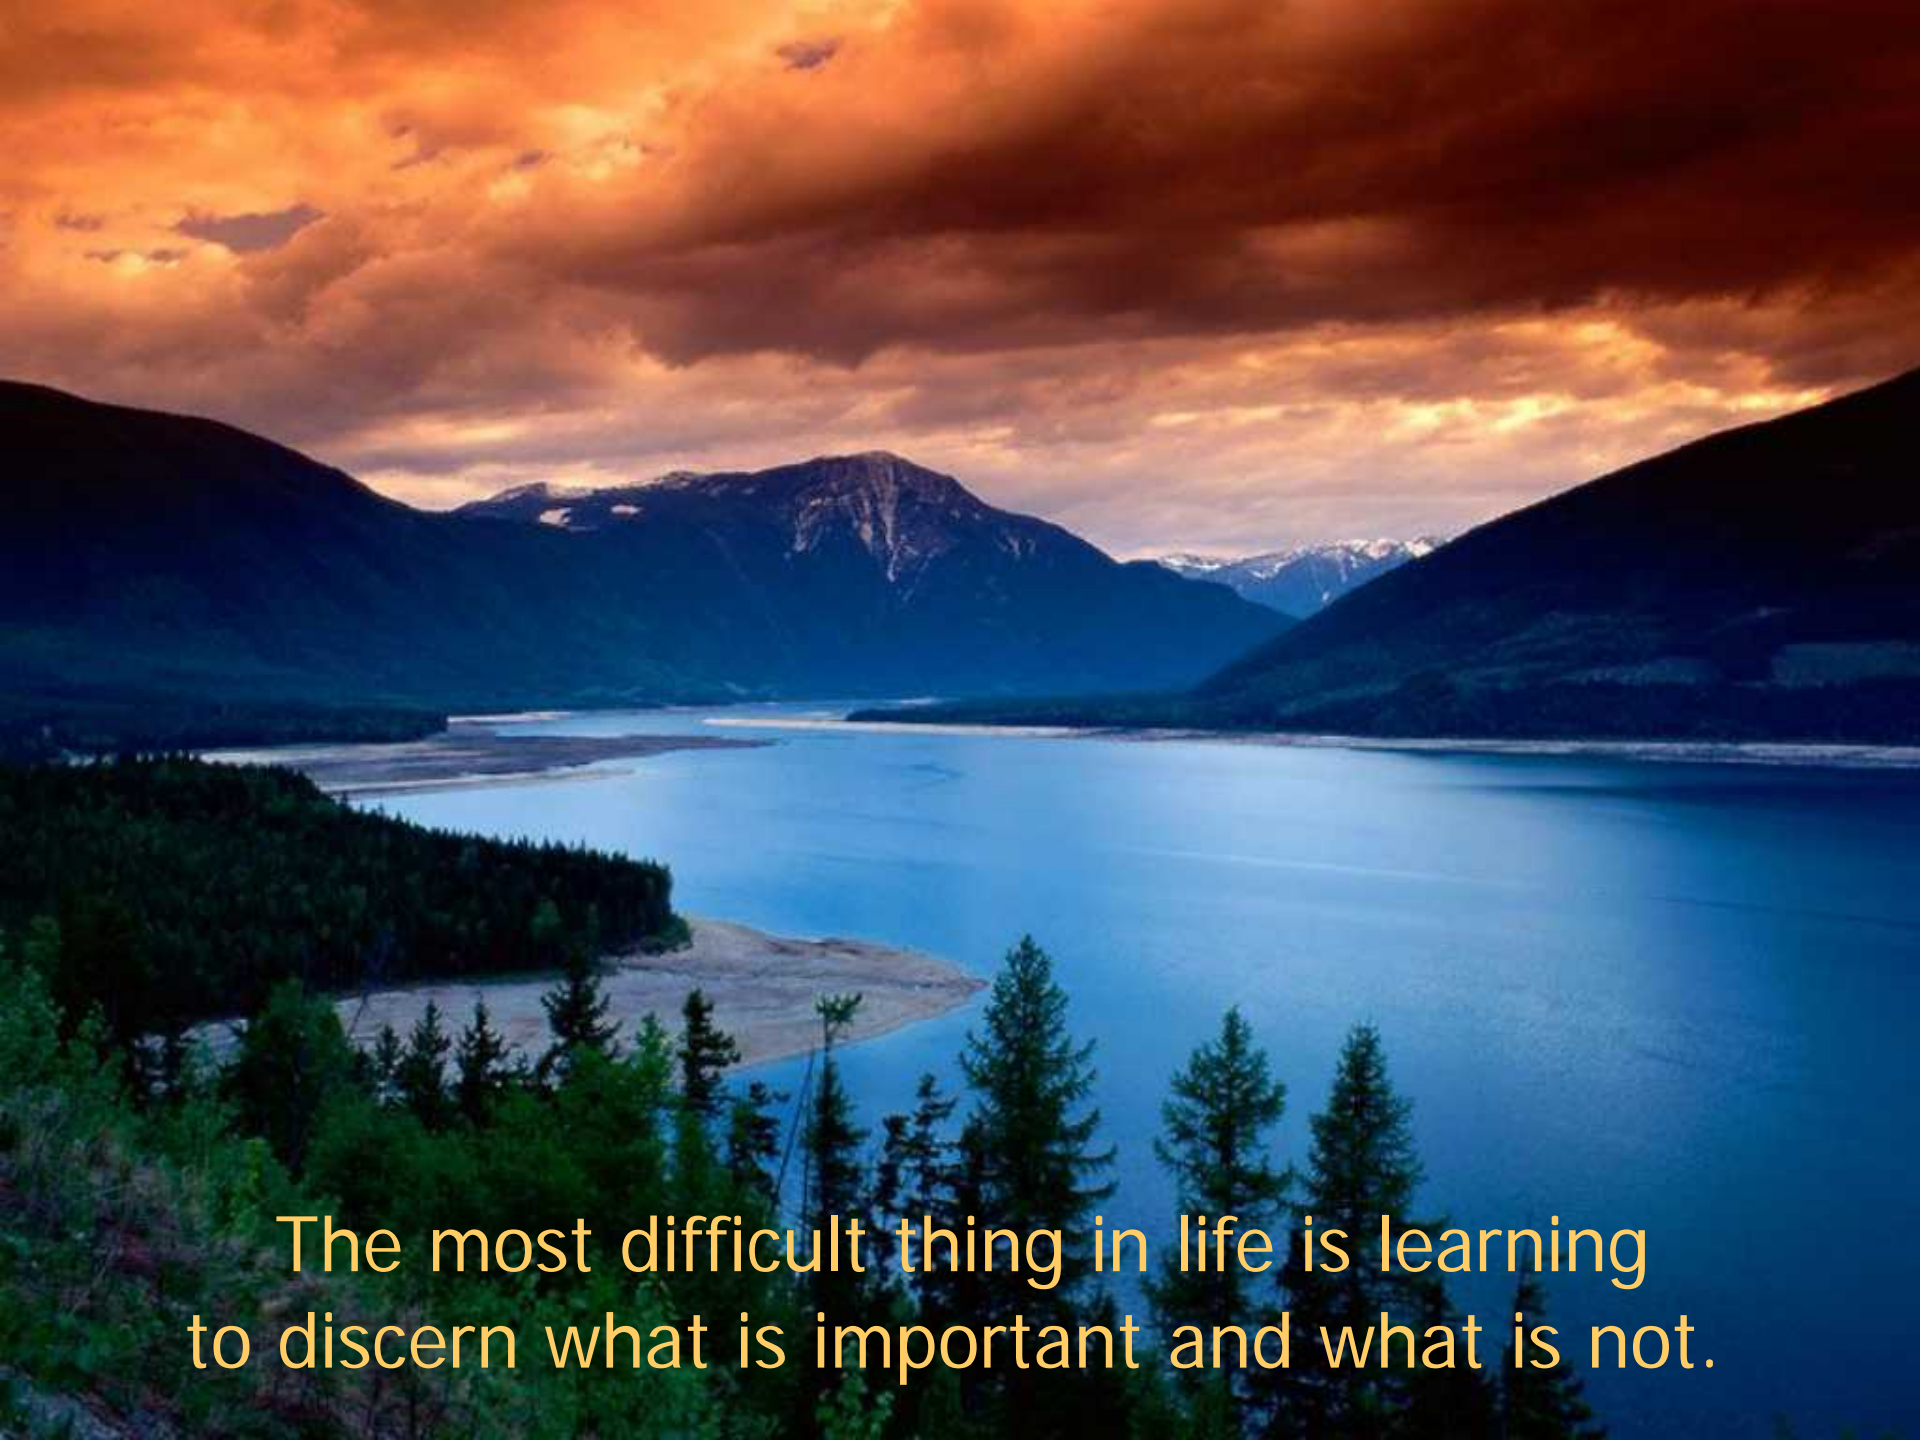

Everything has a purpose.
There are no mistakes.

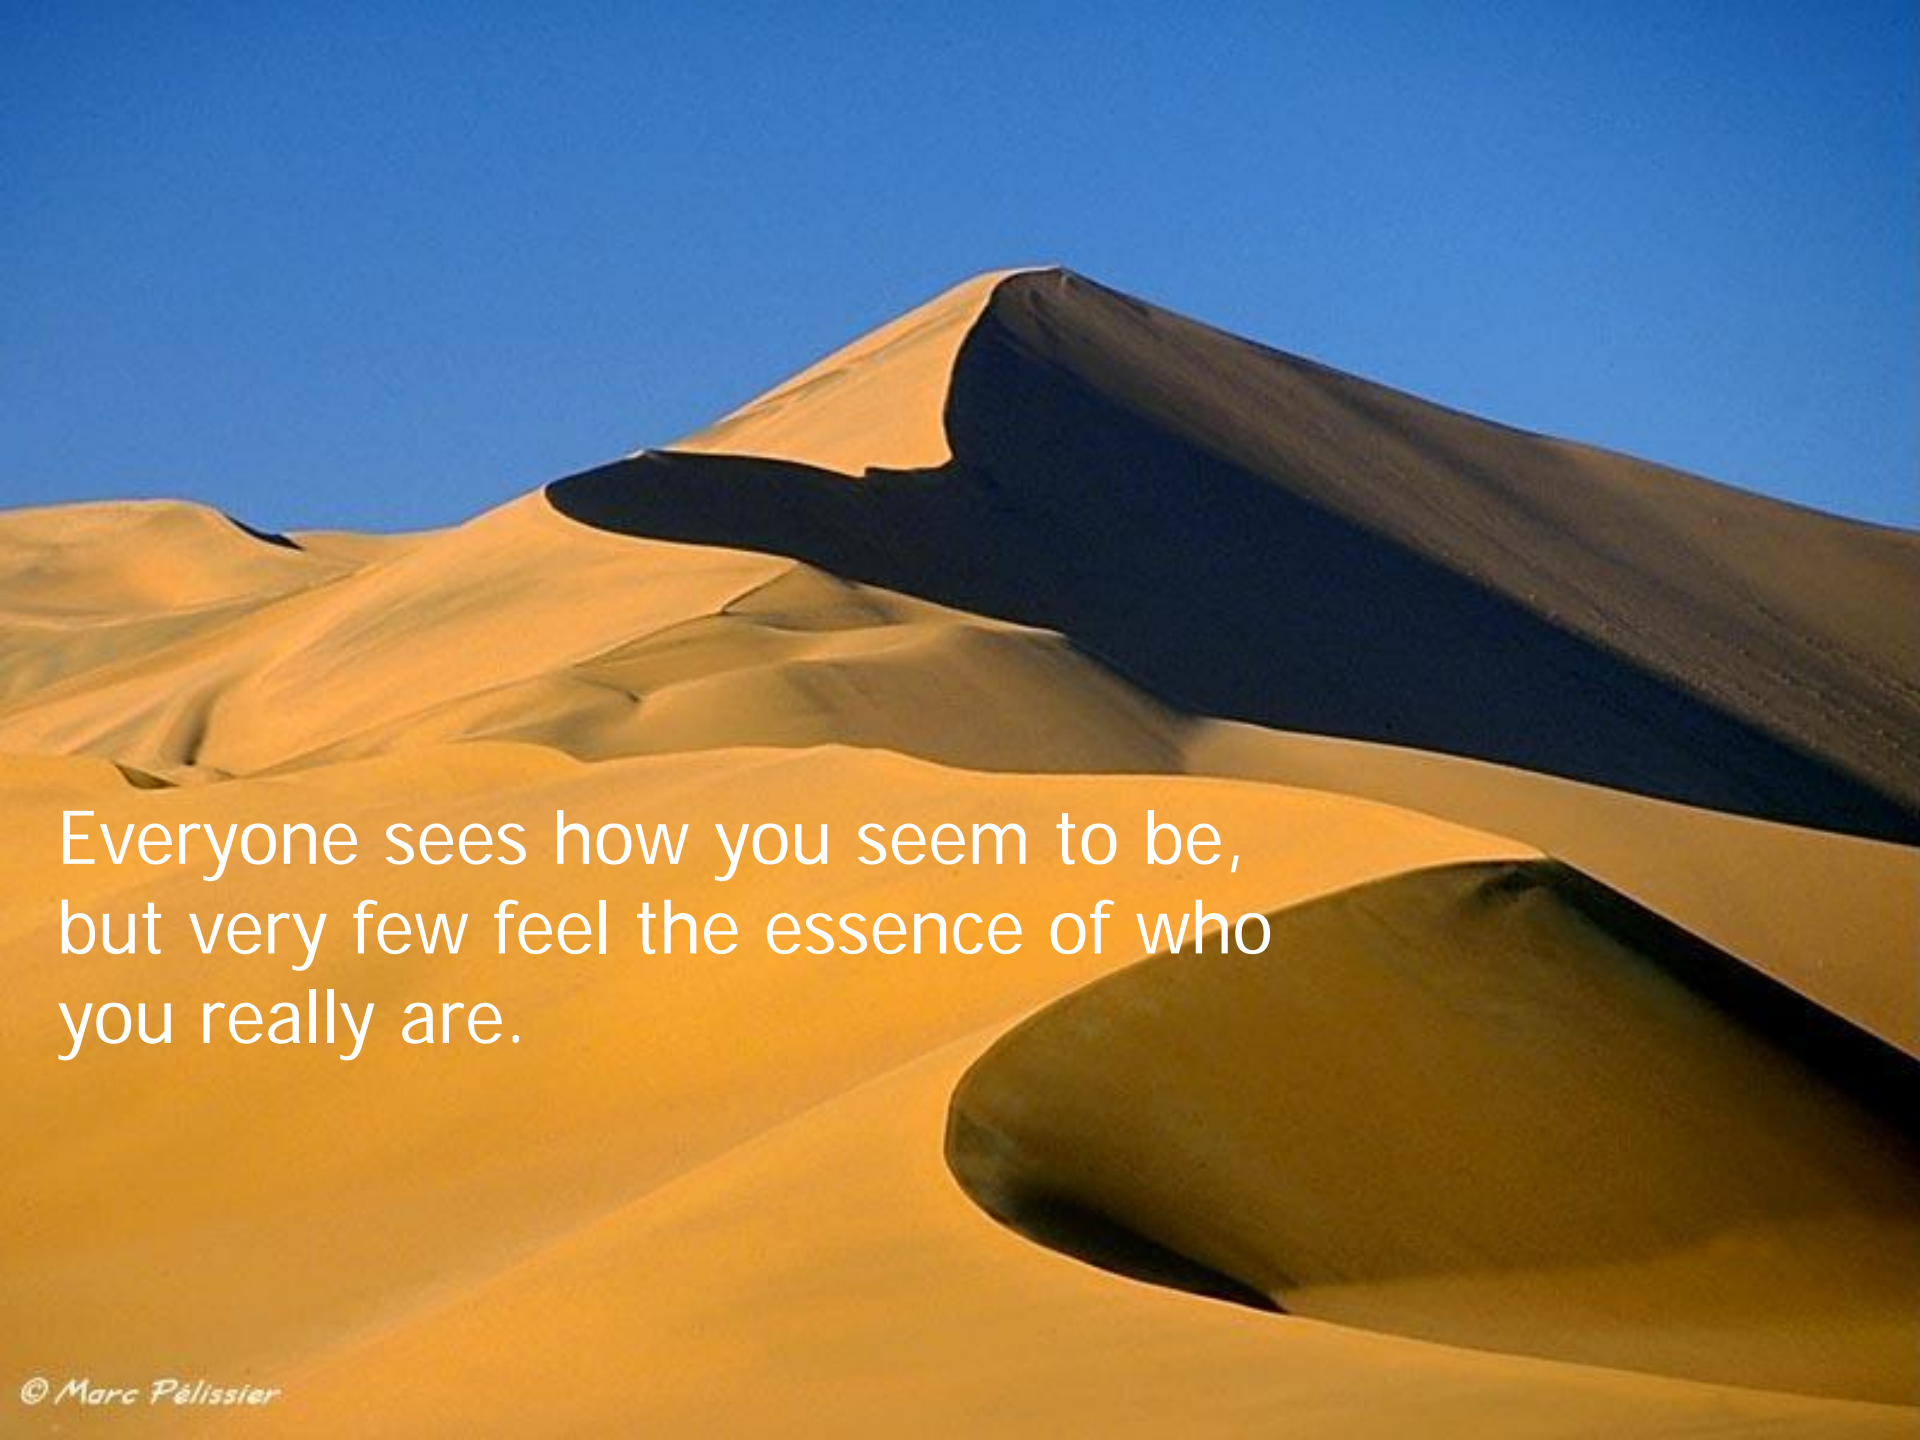

The loudest events are often those
of the least importance.

It's the hours of reflection and contemplation
that can empower and enrich us the most.

The most difficult thing in life is learning to discern what is important and what is not.

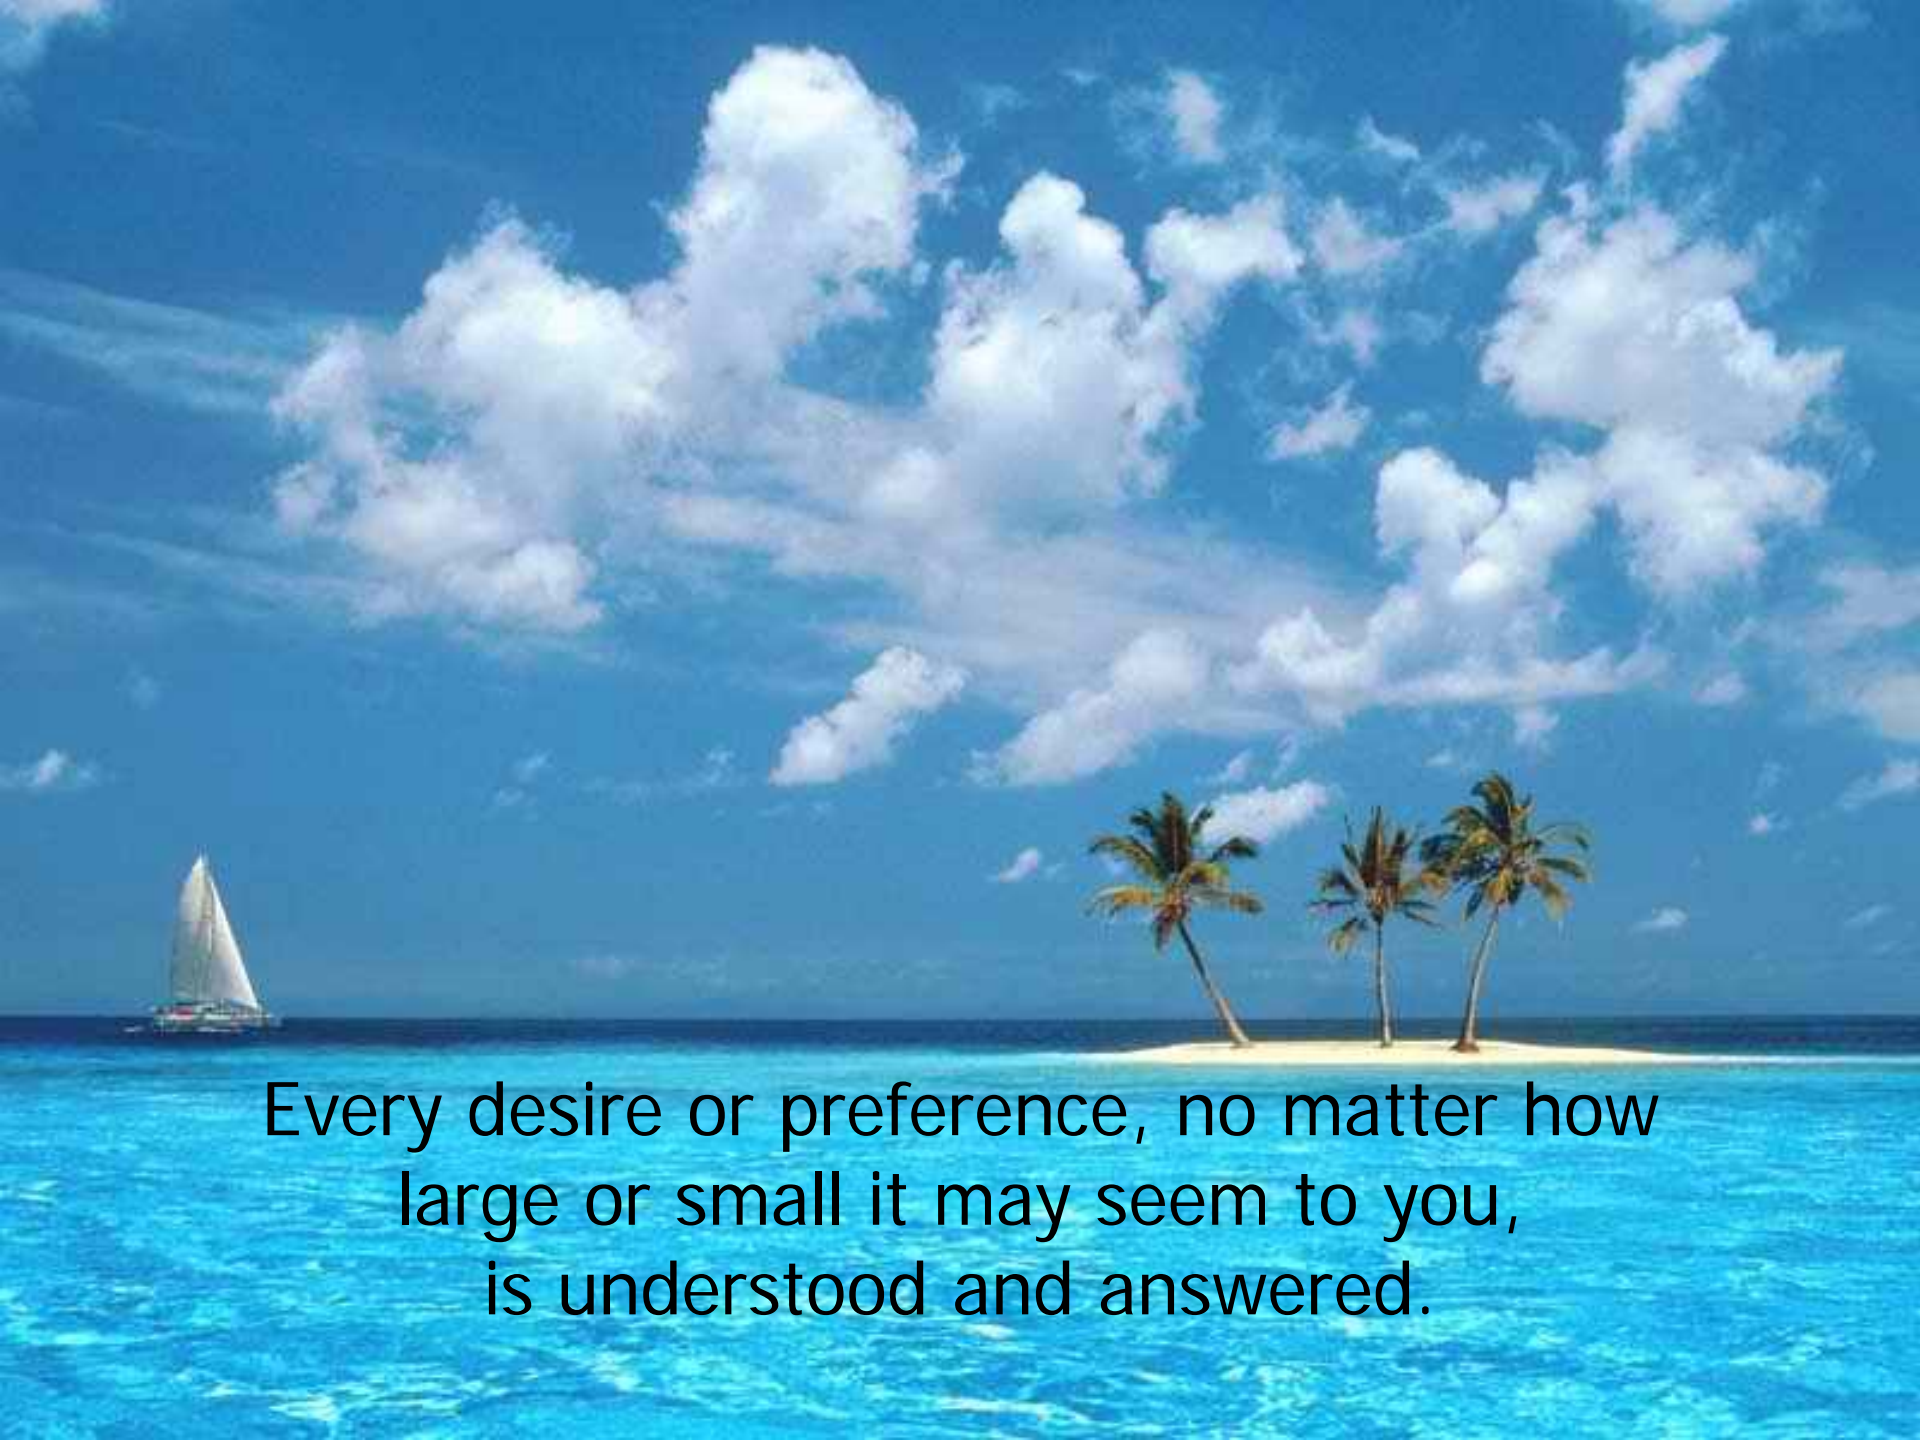

Everyone sees how you seem to be,
but very few feel the essence of who
you really are.

If you want a result you have never had,
You may have to do something you have never done.

A vast field of icebergs in the ocean, with a large iceberg in the foreground. The icebergs are of various sizes and shapes, some appearing as flat, rectangular blocks and others as more jagged, irregular shapes. The water is a deep blue, and the sky is a pale, hazy blue. The lighting suggests a low sun, possibly during sunrise or sunset, casting a warm glow on the scene. The foreground shows the edge of a ship's deck, indicating the viewer's perspective from a vessel.

Perhaps God organises for you to meet the seemingly 'wrong' people in your life as part of a greater plan.

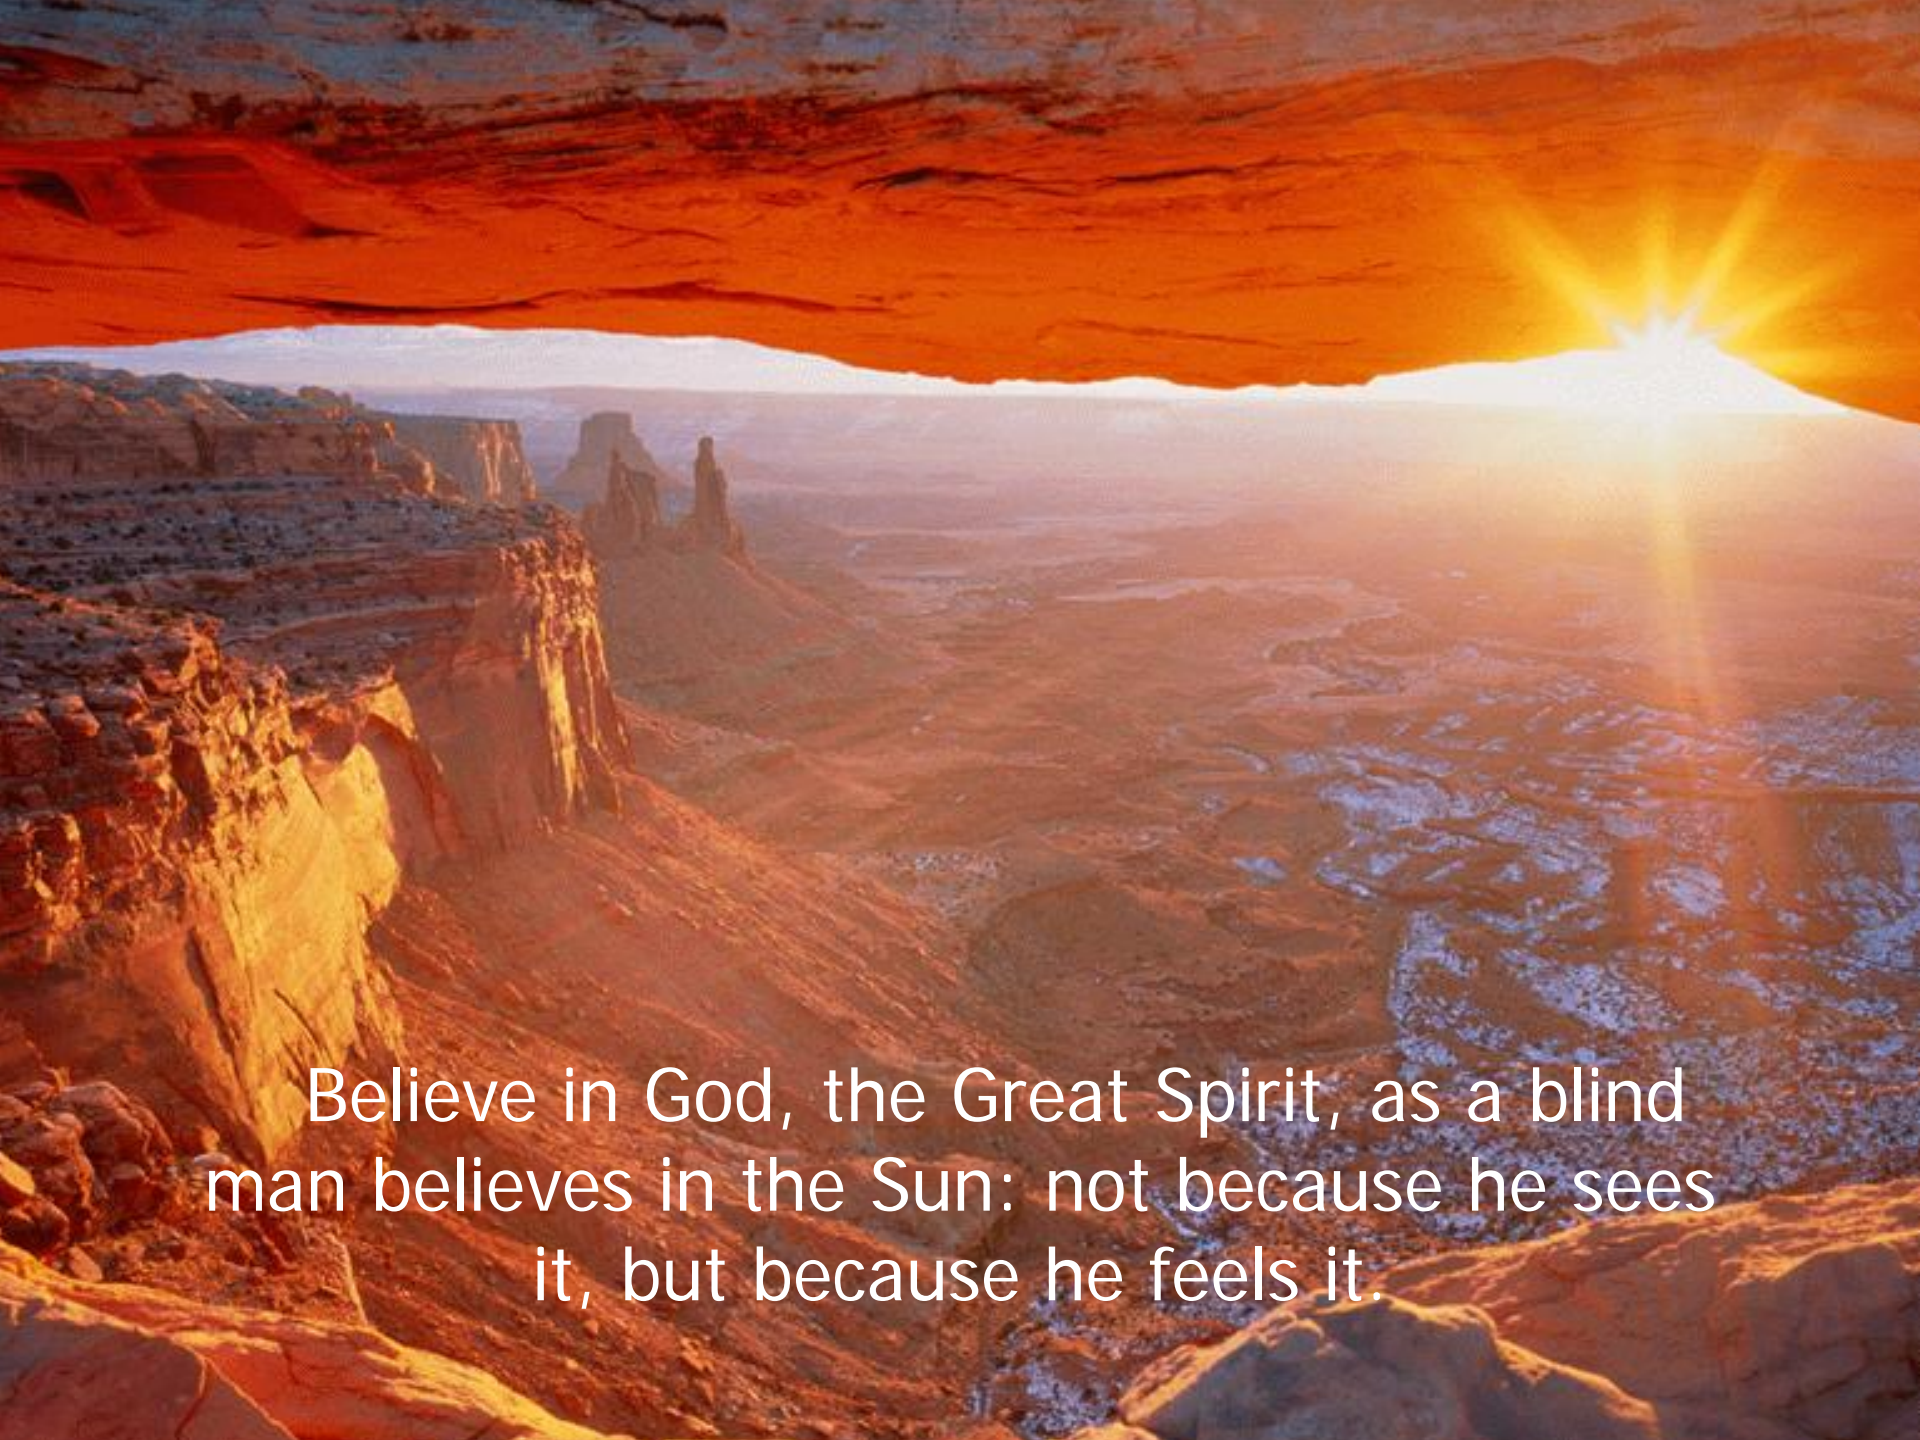

Every desire or preference, no matter how large or small it may seem to you, is understood and answered.

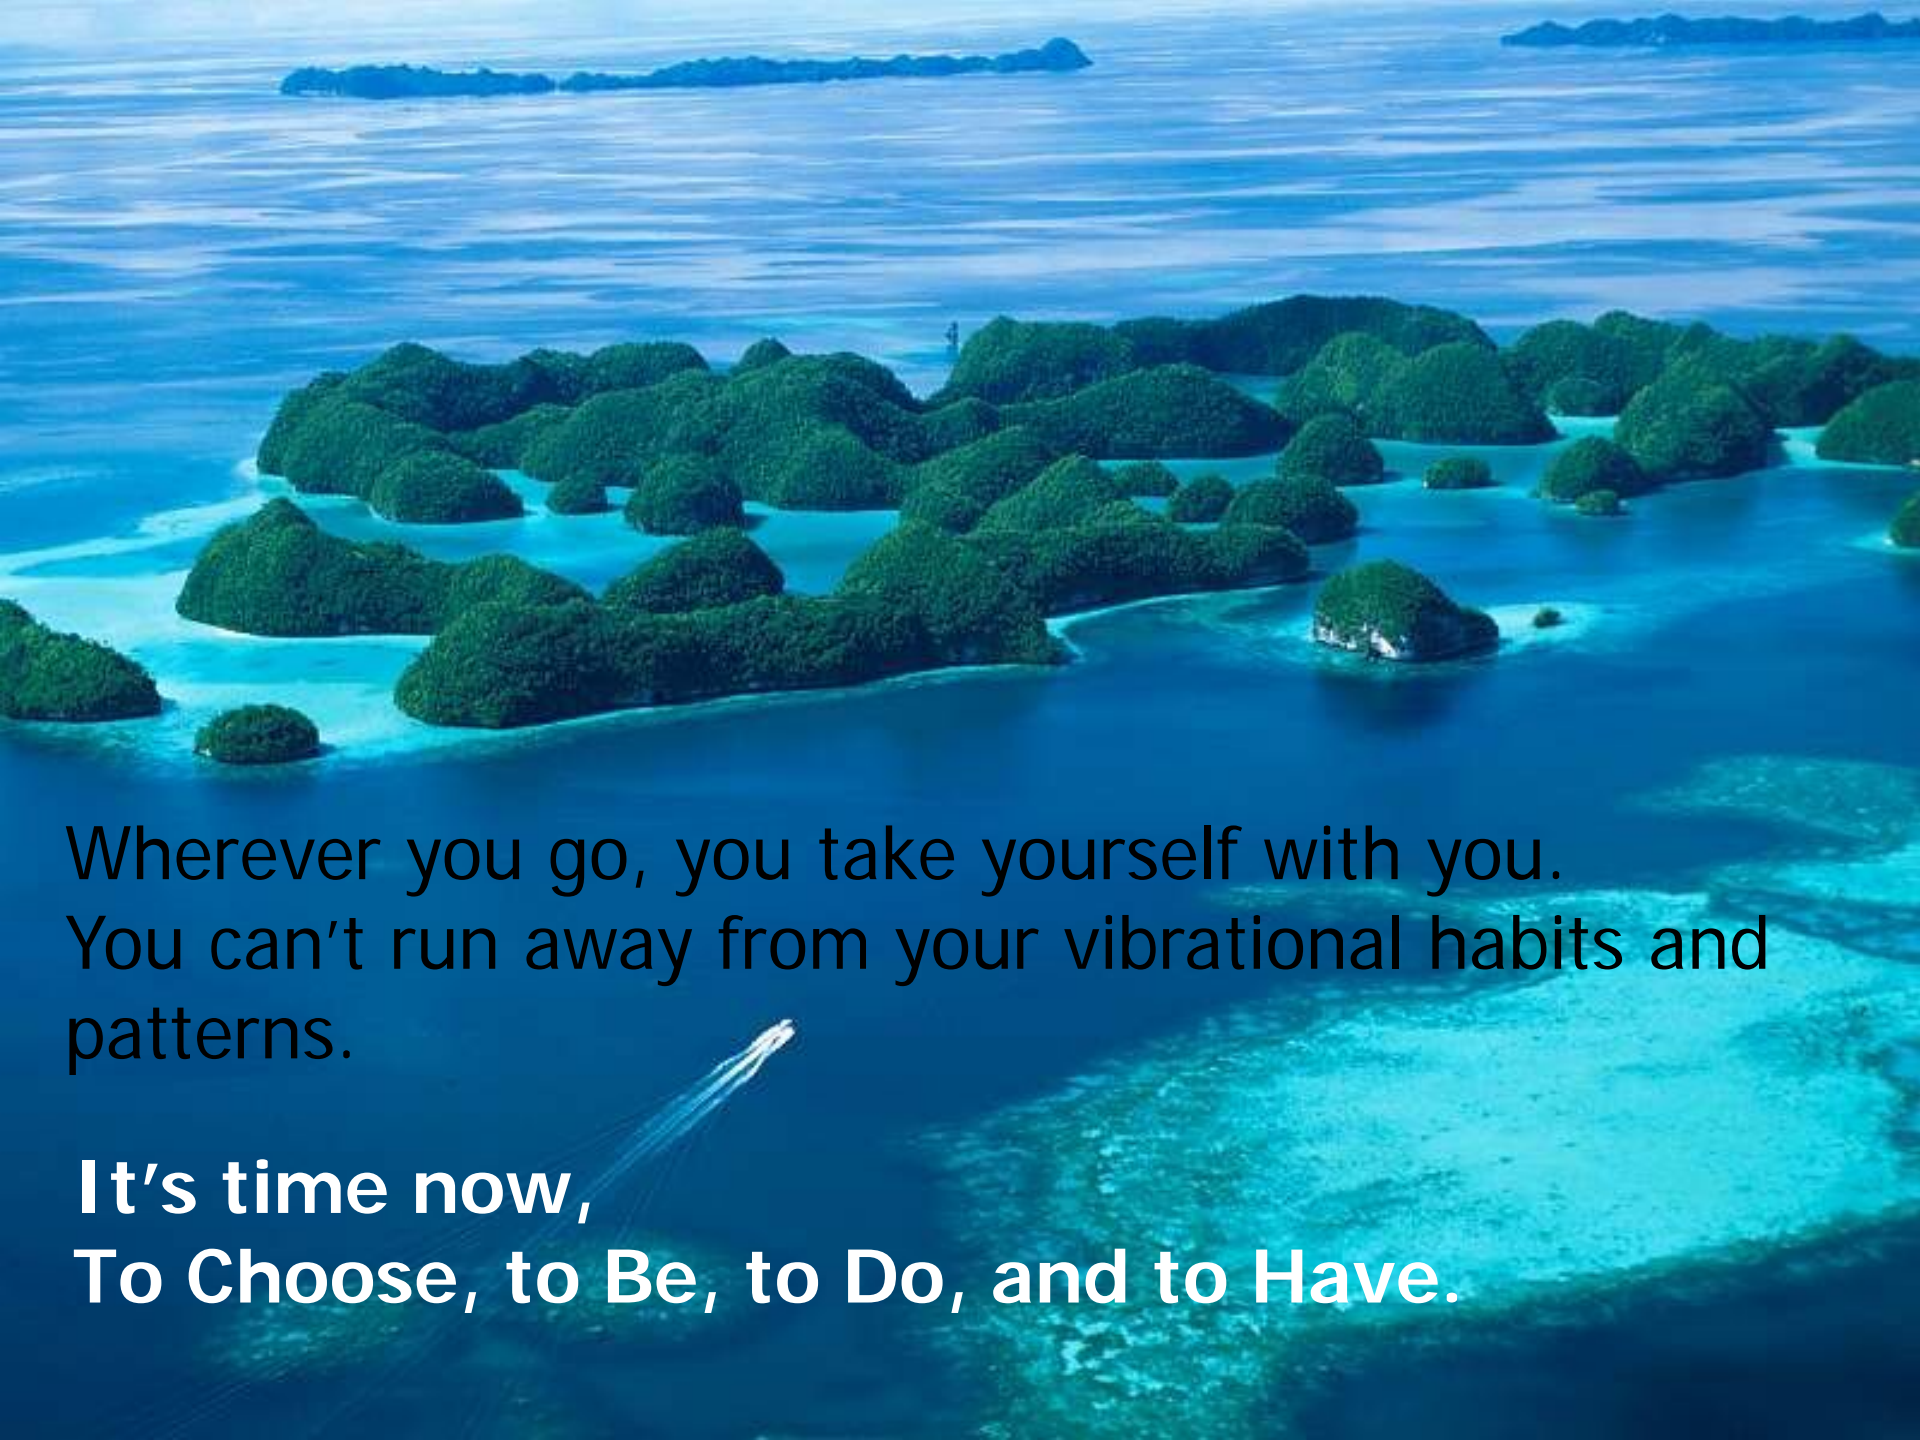

A sunset over a body of water with silhouetted branches in the foreground. The sun is low on the horizon, creating a bright orange and yellow glow that reflects on the water. The sky is a mix of orange, yellow, and light purple. The foreground is filled with dark, silhouetted branches of a tree or shrub, some of which are thick and gnarled, while others are thin and delicate. The overall mood is serene and contemplative.

**Set your intention for something good,
And it or something better will manifest.**

Sometime, somehow, in its perfect way.

Believe in God, the Great Spirit, as a blind man believes in the Sun: not because he sees it, but because he feels it.

Wherever you go, you take yourself with you.
You can't run away from your vibrational habits and patterns.

**It's time now,
To Choose, to Be, to Do, and to Have.**

The background of the image is a close-up, high-resolution view of blue water with intricate, swirling ripples and patterns. The colors range from light sky blue to deep, dark navy blue, creating a textured and dynamic visual effect.
